

Lakeshore State Park

Directions to Lakeshore Access Road Parking

Free parking is available on the south end of the park.

Take Water Street south from downtown Milwaukee.

- Follow Water Street under I-794, through the Third Ward area.
- Just before crossing the Milwaukee River and the Third Ward sign over the street, turn left (southeast) on Erie, which runs diagonal to Water Street?
-
- Follow Erie till it ends at the Milwaukee Harbor channel at Sail Loft Restaurant. (search for the "Sail Loft Restaurant " for a map of this area).
- Turn left (east) on the asphalt road that follows the harbor entrance and goes under the Hoan Bridge. You are now in the Park.
- Follow that road as it turns to the north as you approach the lighthouse. Continue north and park as close as you can to the large turn-around at the end of the road.
- Walk from your car to the north along the lake until you enter the "island" portion of the park. Stay on the west (left) trail, and follow it past the beach and the point of land extending into the water, after which you will see the fishing pier extending into the water.

Pay parking is available on the north side of the park.

- The north end of the park starts by Discovery World, located south of the Art Museum along the lake front at Michigan Street.
- Park at Discovery World's underground parking area, the O'Donnell Parking Structure, or along the street at the meters.
- Enter the park and follow the trail to the pedestrian bridge. The bridge is visible from the north entrance.
- After you cross the bridge follow the west (right) trail to the fishing pier (you can see it from the bridge.)
